### KYBELLA® treatment

## *\$100.00 off per session & Free mini-consultation*

PERFORMED BY DR. COHEN

Kybella is the first and only FDA-approved injectable treatment to improve the appearance of moderate to severe fat beneath the chin (submental fullness) by physically destroying fat cells.

No surgery, minimal to no downtime, treatment performed in Dr. Cohen's office.

Please RSVP at  
[info@LeslieCohenMD.com](mailto:info@LeslieCohenMD.com)  
or call 804.288.2800

Save \$100 per session when you attend the April 28 Open House, receive a free mini-consultation and book your first treatment by May 27. Requires participation in the Brilliant Distinctions loyalty program.
